West Side Stars Premier Soccer Club 2025-2026 Fall Try Outs in June 2025

At the West Side Stars, try outs are done a little bit differently. Instead of a typical "try out", we prefer an athlete to join one of our practices to meet other players and to get a feel how they are run. Deciding on a soccer club can be overwhelming and confusing. Many soccer clubs use tactics to attract soccer players into their clubs giving false pretenses and promises. Take the time and talk to players that have played for a club. Do the coaches care about the development of the players or do they just care about winning. Does the coaching staff have the expertise and knowledge.

Just in case you didn't know, the West Side Stars has been around since 1988 and has produced some of the top players in the area. Many youth players continued their

careers in college as division I, II, and III athletes with the help from the West Side Stars through their vast acquaintances of college coaches and knowledge of college recruitment.

The combined coaching experience at the West Side Stars is over 70+ years. Most most of the coaches have soccer licensed training, and have been involved with soccer all their lives.

The West Side Stars prides itself on it's culture and atmosphere besides its track record of high school aged championships. It's not all about winning every single time; it's about developing talented well rounded players in a positive, respectful and challenging environment.

Try outs will be held at Ragan Hall the first two weeks in June. Please see below for specific dates and times. If you cannot make it please contact Mike Besu at mike.besu@gmail.com or (440) 915-5171.
